For Policy Claims 45.4 per cent., For Surrendered Policies 12.5 " " For Dividends......21.1 " " Total......79.0 per cent.,

Leaving still in Company's possession,
The Company's investments have yielded sufficient

to add to the Policy Holders' Fund for the fulfillment of existing Contracts.....

To repay to its Policy Holders in Death Claims, Endowments, Dividends, Surrender Values, Annuities and other credits, more than they have paid to it in premiums, is one of the striking facts in the Company's history. It stands alone in that result.

Office open from 8.15 to 5 o'clock on all school days, and 9 to 1 on Saturdays.

Admission of pupils—The public schools are free only to children who have a legal and bona fide residence in the district.

The regular time for the admission of pupils into the public schools is at the beginning of the school year in September.

The school hours, except in the High Schools, are from 9 a. m. to 12 m. and from 1.45 to 3.30 p. m.

Children under 5 years of age will not be admitted except to the Kindergartens. Children between 4 and 6 may be admitted to the Kindergartens.

Children must be vaccinated before they can be admitted.

Children are not allowed to attend a school outside of the sub-district in which they reside. In case there is no room in the sub-district in which they reside they may obtain from the Superintendent of Schools a ticket of admission to another school,

Non-resident pupils may be admitted to schools upon payment of tuition at the office of the Board of Education. The charge for tuition is \$60 a year in the High Schools and \$30 a year in all schools below the High Schools.

All text-books and other supplies are furnished to the pupils of the district free of charge. Non-resident pupils must furnish their own books and supplies.

Evening schools are open in October and con-tinue during the winter and provide instruction to the persons over 14 years of age who do not attend the day schools.

The High Schools of the district comprise the classical, the English and the Scientific departments, each with a course of four years; the Commercial department with a course of three years and the Manual Training department with a course of four years.

The hours are from 8.25 a. m. to 1 p. m.

The examinations for admissions to the High Schools are held in June, and candidates must be at least 12 years of age.
